

Good evening parents,

Thank you for your patience and kindness as we address several issues that you have brought to my attention. As of today, we have completed balancing the classes so that all classes and the lunches are evenly distributed. We have addressed our problems with the phone system and are now able to provide much better customer service. Please remember that our offices are only open from 7:15 am to 1:55 pm which is the latest that a student can be picked up. At 1:55pm, everyone is on dismissal duty to ensure that our students are dismissed in a safe and orderly fashion. Although the offices are closed, we are available by phone starting September 11<sup>th</sup> until 5 pm.

We are also in the process of updating our website to make it more user friendly for our families. We are adding Sports and Club information and even adding an email to report/request Lost & Found. Do not forget that next week is our Open House, we very much look forward to seeing you on campus. Attached please find the Open House Flyer along with the Events Calendar for September.

Lastly, you will receive an email tomorrow with your student's PowerSchool code. The code is extremely important as it allows your student to access his books from home in addition to monitoring his own progress.

Have a wonderful Labor Day weekend,

Dr. Arlene H. Valdes
