

Good afternoon Parents,

I am so pleased to let you know that school will re-open Monday, September 18th. Our buildings weathered Hurricane Irma beautifully and we are ready and excited to get back to the work of educating our students! We hope that our families have been able to return their homes and lives back to a normal routine. We look forward to welcoming everyone back to school. Don't forget that Wednesday night we have our first Parent Academy at 6:30pm, Thursday is a teacher planning day (no school), and Friday is picture day (get those haircuts this weekend!)

Sincerely,

Dr. Arlene H. Valdes
