

A vibrant poster for IB Week at Franklin Academy. The central focus is a stylized Earth globe with green continents and blue oceans. The text 'FRANKLIN ACADEMY' is written in white above the globe, and 'IB WEEK' is written in large, bold white letters across the middle of the globe. Below the globe, a dark red ribbon banner contains the dates 'OCTOBER 9-13, 2017'. Surrounding the globe are five colorful figures in various poses, representing different nationalities or cultures. The background features a light beige color with radiating lines emanating from behind the globe, and green foliage and hills at the bottom.
