

## Get Ready for Socktober!

Get ready! Franklin Academy is officially a “We Help Two” partner school and will be participating in **Socktober**. Our campaign will run until October 31<sup>st</sup>. As an IB candidate school, it is critical that we teach our students to participate in programs that build empathy, compassion and respect through inspirational fundraising campaigns.

### Students Participation:

- Papa John’s has joined in on our campaign. They will donate a pizza party to the homeroom that purchases the most packs of socks!
- The grade that promotes the most sales will be rewarded with a “**SOCKHOP**” party.
- As students receive their socks they can share their participation and support by wearing their socks to school on Fridays. (**Only** socks purchased through this fundraiser are allowed to be worn other than uniform code socks.)

### How it works:

- For every 80 packs of socks sold, “We Help Two” will provide one leg to an amputee through our partner clinics around the world.
- For every set sold, the schools will also receive one pair of warm socks that we will donate locally to students in South Florida affected by Hurricane Irma.

We have set up a webpage just for our school that will facilitate all sock purchases and donations. You can click [HERE](#) to get your socks today!

We would like to ask each person to set a goal of selling at least 20 packs of these fun and colorful socks that will help change lives.

Should you have any questions about the campaign, please contact Mrs. Jacqueline Plutt at [Plutt.jacqueline@franklin-academy.org](mailto:Plutt.jacqueline@franklin-academy.org) If you have sock questions, please contact [info@wehlptwo.com](mailto:info@wehlptwo.com).

Thank you,

*Dr. Arlene H. Valdes*
