

Dear Franklin Families:

Just a few quick reminders:

1. Tomorrow we recognize Operation Warm as our January Charity Awareness Day. Please see attached flyer for details.
2. As an important part of Franklin's philosophy regarding community involvement, parents need to complete 8 hours of service to Franklin each year. This allows parents to set a good example for their children and to assist the school in a variety of ways. As per the Franklin Student/Parent handbook, you should have completed at least 4 hours of your service hours by now. If you have not, it is important that you get up to date with your hours as soon as possible. Please visit our website at <http://pphs.franklin-academy.org/> and select our campus (Pines, grades 6-12) There you will find a blue banner with white writing saying "Service Hours Information". Once you click on that, you will see information about how to complete your service hours, including a link that says "Go to Volunteer Site". Use this link to register/sign-in so that you may schedule yourself for service hours. At the top of the screen, you will see a black band (the menu) and you will select "Shifts" and then "Scheduled Shifts by Calendar". From there, you may select the date and then choose from the available service opportunities. You may also visit the "Message" section from the menu, where additional at-home and non-traditional opportunities are posted.

Sincerely,

Dr. Arlene H. Valdes

Principal
